*We picked Bruce because of his experience in our building. We were extremely pleased with the job that Bruce did for us. He marketed the home extremely well. Virtual tour, description of the property, fliers in the mail and posted in the laundry room. All done very well, especially the virtual tour. Great use of technology. Consequently, we had a ton of showings, even in a very slow market.*

*Bruce is professional, has all the right answers, knows the business, is easy to work with, and is a really nice guy. You will not regret choosing Bruce to sell your home.*
